IT'S MORE FUN IN THE PHILIPPINES

WHERE WE ARE

You'll discover lush green rice fields, lively and fashionable cities, simmering volcanoes, amazing underground rivers and caves, the most wonderful wildlife and most importantly friendly and fun-loving people.

The Philippines is an archipelago located east of Vietnam and north of Indonesia bound by:

- Pacific Ocean to the east
- Bashi Channel to the north
- Sulu and the Celebes Seas to the south

1

TROPICAL CLIMATE

Warm weather and sunshine almost all year round! Remember to pack your light, casual clothes, sunblock and tanning lotions.

Philippines only have two seasons:
Wet and Dry!

2

TASTY FOOD GREAT TROPICAL FRUITS

Filipino cuisine is a melting pot of tribal and traditional local rural cultures across the archipelago, mixed with South East Asian and European influences.

DIVERSE CULTURE

Colourful costumes and the beating drums highlight many joyful events in the islands, reflecting Philippines deeply rooted traditions and influences.

LANGUAGE

Filipino is the national language. English is widely spoken and is the medium for education and business.

RELIGION

Roman Catholicism is practiced by about 80% of the population. The rest are mostly Christians, Muslims, and Buddhists.

INFLUENCES

Our ways reflect influences of Spain, America, China, and other countries that have come to our shores. But our culture is unquestionably Asian.

SUSTAINABLE TOURISM

Travel while taking care of the environment for sustainable tourism

More than economic gains, the Philippines is working to strike a balance between business and sustainable tourism. The initiative, which goes beyond the protection and preservations of natural assets, aims to expand the benefits of tourism to communities that are directly and indirectly engaged in the industry.

BORACAY
